

Shipping Order

in Carbon and verified by the Agent.

The carrier, subject to the classification and tariffs in effect on the date of issue of this Shipping Order,

will transport the goods described below, in accordance with the contract of carriage (consensus and conditions of carriage of packages unknown), accepted, consigned, and delivered as indicated below, which shall constitute the entire contract of carriage. The carrier shall be responsible for the safe delivery of the goods to the destination, and shall be liable for any loss or damage to the goods during transit, except as otherwise provided in the bill of lading. It is hereby agreed, as to each carrier of all or any of said property, that every service to be performed hereunder shall be subject to all the terms and conditions of the Uniform Rules of Lading set forth in Official, Southern, Western and United Freight Classification to effect on the date hereof, if this is a rail or a rail-water shipment, or (3) to the applicable tariff or classification of said property, if this is a motor carrier shipment.

The carrier hereby certifies that he is familiar with all the terms and conditions of the said bill of lading, including those on the back hereof, set forth in the classification or tariff which governs the transportation of the shipment, and the said terms and conditions are hereby agreed to by the shipper and accepted for himself and his assigns.
